# SAP Sports One was implemented to SvFF to bring efficiency and analytics tools to everyday work

## WHAT DOES IT DO FOR SvFF?

### Data collection & analysis

- One system, one source in real time

### Heritage

- Keep the knowledge within the federation

### Automation

- Minimize manual work and effort

### Digitize the processes and work

## THE BENEFITS

### Communication & cooperation

### Preventive actions

### One platform with holistic view

### Secure and sustainable data (GDPR)

### ..and of course, WIN more games!

## SAP Match Insights

SAP SPORTS ONE

## Scope Swedish Football Association

- All 14 national teams, men, women, boys and girls
- 5 modules
  - Workshop
  - Implementation
  - Demo
  - Go live (Ladies team first out in February)
